

## Letter from the New Governor

First of all, I would like to thank everyone who participated in the election of officers. It's great to see so much interest in the Trustee position. Congratulations to Darryl Boyle and Henry

Trzesirara our new Trustees. I hope Art Mitts and Rich Charter will run again next year.

The joint installation of officers went very well, thanks to all who helped.

I look forward to another prosperous year for our lodge. We have a great Board of Officers and I know our Administrator already has enough work for all of us.

Wild Bill's Friday Fish fry's are back. In full swing with entertainment following. Go Dan Karaoke on June 22 and Hurricane Alley on June 29.

For those of you who haven't seen "Hurricane Alley", you're missing a very talented duo.

In ending, thanks to outgoing Governor Larry Peck for all the endless hours he has put in. I know he will help guide me through my year as your governor.

Fraternally yours, Randy Alto

## To all those Father's...Happy Father' Day!

## Notes From the WOTM

This has been another remarkable year for Newport! Our Chapter and Lodge have worked together and showed the true spirit of fraternalism is all about. None of this could have happened without the many hours you have all donated to make our projects a reality. You have always been there with your help, your ideas, and smiles on your faces!

Welcome to our new and returning members: Patty Whipple, Daniele Weisner and Debbie Brown.

New officers have been elected:  
Kate Berge Charter – Senior Regent  
Kathy Parker – Secretary  
Mindy Trzesiara – Chaplain  
We know that you will support them with enthusiasm and help them have a fabulous Chapter year for 2007/2008.

Last, but certainly not least, the next time you see a member of the Lodge, give them a big smile and a heartfelt thanks. The men of the Lodge have graciously given the money to the Chapter to pay for a new computer. Our old one experienced a power surge (do we call them hot flashes?) and it was ruined. Our brothers helped us out of this very unpleasant situation AND we didn't have to ask – they just offered! Brothers, you have our heartfelt thanks and we owe you!

Until next time ...

Cheryl, Cindy, Kim, Pru and Jessica
